

EMERGENCY PREPAREDNESS TRAINING

FREE

Free CERT training is being provided to teach the basic skills needed to handle your family and community needs in the event of a disaster (earthquake, flood, “man made” disaster). The seven classes cover disaster preparedness, search & rescue, disaster fire suppression, disaster medical operator/assessment, and team organization.

This is an opportunity for our community to prepare to handle any form of an emergency. Minimum age is 18. Businesses are encouraged to send their employees. Retired seniors and physically challenged are especially invited. We need to help each other.

Where: Peck Park Auditorium 560 N. Western Ave. San Pedro

When: Seven consecutive Thursdays, May 6 through June 17 from 6:30 pm-9:00 pm. If you attend all seven classes, you will become CERT Certified and receive a helmet and vest.

The training is sponsored by the Northwest San Pedro Neighborhood Council (NWSPNC).

To Register: Send your name, address, and phone number to board@nwsanpedro.org or 638 S. Beacon Box 688, San Pedro, CA 90731.
