

**RESOLUTION CONCERNING BRIDGE TO BREAKWATER COLLABORATIVE
CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA) PROCESS**

APRIL 11, 2005

WHEREAS, the Northwest San Pedro Neighborhood Council [NWSPNC] has provided comments to the Port of Los Angeles concerning the Bridge to the Breakwater draft project description; and

WHEREAS, within the framework of previous motions passed by the NWSPNC the NWSPNC supports moving forward with preparation of the EIR/EIS; and

WHEREAS, the NWSPNC believes that an EIR prepared in collaboration with the community will take advantage of the community's local knowledge and will be invaluable to the consultants preparing the EIR/EIS;

NOW THEREFORE BE IT RESOLVED, that the NWSPNC requests that the Port work with the community in a collaborative process during the preparation of the EIR/EIS.

BE IT FURTHER RESOLVED, that the NWSPNC urges the Port Community Advisory Committee and Board of Harbor Commissioners to establish a collaborative process that includes the Neighborhoods Councils and that the process be initiated by the Board of Harbor Commissioners before the project description is submitted to the Corps of Engineers.

Approved by the NWSPNC at its meeting on April 11, 2005.
